

CONSUMERS ENERGY AND DTE ENERGY FREE COMBUSTION EFFICIENCY TUNE-UP SEMINARS

In support of Residential Energy Efficiency Programs, DTE Energy and Consumers Energy are hosting a series of upcoming combustion efficiency seminars. Field service technicians and service managers are invited to participate in a free seminar covering:

- Selling techniques
- Combustion basics
- Efficiency testing
- Metrics and standards
- Safety concerns
- Customer expectations

The combustion efficiency training qualifies for North American Technical Institute (NATE) and Building Performance Institute (BPI) CEU's. Be sure to bring your NATE and BPI technician information to the seminar.

Why should I attend?

- Gain important knowledge and expand your business and meet customer expectations
- Brand new selling materials will be distributed
- In addition, there will be a **FREE 128G iPad®** raffled off **at each of the trainings!** You must be in attendance to win.

If you're unable to attend one of the seminar times below, register to attend one of our **new webinar sessions on Sept. 14 or 27 from 4:30 p.m. to 7:00 p.m.** Please email or call to RSVP for a webinar time.
