

NEW CONSUMERS ENERGY CONTRACTOR DIGITAL STOREFRONT

Consumers Energy is excited to announce the launch of a new [digital storefront for Trade Allies](#).

The Digital Storefront will allow Trade Allies to view, select and order program-specific marketing materials online. You can log into the Digital Storefront, choose your program, and select the desired quantity of marketing materials. Enter a few more pieces of information and submit your order. After submitting your order click the “Confirm Order” button to be sent to the confirmation page. You will receive a confirmation email when your order has been reviewed and approved and the materials will be sent to your door.

[Check out the new Digital Storefront](#) and see how simple, easy and quick it is to get marketing materials to promote Consumers Energy rebate programs. For more information, contact your Account Manager or the Account Advocate Support Team.
