RE: Statement of Compliance: Made in Michigan

To Whom It May Concern:

Nu-Wool Co., Inc is a cellulose insulation manufacturer located in Jenison, Michigan. This letter validates that greater than 50% of the cost to manufacture and assemble all Nu-Wool products occurs within the state of Michigan, including but not limited to Nu-Wool Premium Cellulose Insulation, Energy Care, Cellulose Insulation, and ECOCELL Batt and Blanket Cellulose Insulation. As such, Nu-Wool's aforementioned products meet the requirements for qualifications in the "Made in Michigan" program as defined by Consumers Energy Residential Energy Efficiency Group.
